Canneries To Close

Additional Parking Space Will Be Available

Renovation Scheduled For Downtown Area

The Town of Appomattox's Downtown Renovatin Project should be underway within a few months, according to William S. Slagle, Town Manager.

Designed to improve the town's traffic flow and provide additional parking area, the project is sponsored by the Town Council and it is anticipated that it will be funded through a Department of Housing and Urban Development grant.

The plan calls for widening Harrell Street, an ally one block north of Main Street. Harrell Street will become an alternate traffic route to Main Street.

The Town Manager explained that the plans included pruchasing the old Appomattox Hotel property, raising the hotel, and turning the area into a parking lot.

Once the project is complete, Slagle said, the door would open to many alternatives for the improvement of the downtown area, one could be turning Main Street into a pedestrian mall with an 1865 theme.

Renovations to Harrell Street will include widening and construction of sidewalks, gutters and curbing. Location of the street will not be significantly changed.

Slagle said that the idea behind the downtown revitalization scheme was to "improve the business climate and open other alternate options for future project."

He said the Town Council's project has the backing of the town's business community and has good support from the Chamber of Commerce, who made this one of their prime projects.

Without the widening and parking project, Slagle said that the downtown community was "boxed in" with any development or changes confined by the railroad tracks just south of Main Street and the Main Street traffic problem.

The town council began planning for the project about three years ago. The town manager said he had "touched base" with all property owners involved in the project.

Slagle said the total cost would not be known until all property purchases were complete.

The Appomattox Town Council has also approved the complete raconstruction of Court Street, with curbs and gutters to be installed. The state highway department is scheduled to begin the project when the town council completes right-of way acquisitions.

December 9 and donate a unit of your LIVESAVING blood. Seventeen year olds are reminded that they may donate blood with parental consent. A nursery is provided for children of donors.

The Blood Program in Appomattox County is sponsored by the Appomattox Junior Woman's Club with Mrs. Mary Catherine Whitehead as the club's representative. Rev. Earnie Lucas is Chairman of the Blood Program. His assistant is Mrs. Lucy Harvey.

"Ladies of the Order of Eastern Star will be in charge of the canteen for this visit. Without the cooperation of the many volunteers, the program would not be the success that it has been for a number of eyars. Join the group of blood donors, give on December 9.

Reminder - Donations Needed

November has been designated as Firemen's Month for the volunteers of the Appomattox County Fire Department. Paul Drinkard and James R. Ford, Jr. are seeking donations to apply, in conjunction with the Appomattox Town Council, to a dinner honoring the volunteer firemen and to present each of them with a bonus in appreciation for their time and service to the community.

Donations are slow coming in, so if you have *not* made your contribution to the firemen please mail it to either Mr. Paul Drinkard or Mr. James R. Ford, Jr., Appomattox, VA 24522, or give to them in person. Your contributions will be greatly appreciated.

Groundbreaking For New Calvary Baptist Church

On Sunday, November 23, 1975 groundbreaking ceremonies were held at noon for the new Calvary Baptist Church to be constructed across from Concord Elementary School.

Participating in the groundbreaking, left to right above, were Ray Smith, Chairman of Building Committee; Rev. Frank Casper, pastor of Calvary Baptist Church; Mrs. G. H. Jones, oldest active member; and J. D. Crance, Chairman of Deacons. Hunter Jones, Trustee Chairman was not available for photo.

An architect drawing of the building now under construction can be seen on another page of this issue of the TIMES-VIRGINIAN.
